

Dear colleagues,

On behalf of the members of Organizing committee we are pleased to invite you to attend the Fifteenth Sarajevo Anesthesia Forum. By organizing several presentations and workshop, we are planning to acquaint you with the latest accomplishments in anesthesiology. On this occasion, we intend to deliver lectures and organize discussions on current issues in anesthesiology and intensive therapy in thoracic surgery. The Forum has become a traditional annual gathering of anesthesiologists from Bosnia and Herzegovina, with the participation of the colleagues from other European and World countries. In addition, we hope that the Fifteenth Sarajevo Anesthesia Forum will be a wonderful opportunity for you to gain new knowledge and skills, as well as to exchange professional experience and associate with your colleagues.

We are looking forward seeing you at the SAF XV.

Prim. Prof. Dr. Ismet Suljević
